

TELECOM EXPENSE MANAGEMENT

- Extend your company's mobile phone plan rates to your team's friends and family without it becoming a burden on the company accounting and administrative staff
- Your company can get better rates by having more phones on its plan, while increasing employee retention by extending the lower corporate rate to staff's friends and family
- Corporate rates can be 40% to 105% less than an individual plan, translating to savings up to \$40/month
- Those enrolled in the program are automatically billed and payment is received by credit card
- Funds are transferred to the corporation's bank account and are paid by the corporation when due
- Ivrnet charges a fixed fee per line each month
- Payments can go through the corporation's merchant provider or through Ivrnet's merchant account
- Using the Administrative Fees module the corporation can pass credit fees onto its members
